Project Title: Engineering Geotechnical Activities for Informational Purposes

Project Applicant: California Department of Water Resources

Project Location (include county): Sacramento/San Joaquin/Yolo/Contra Costa/Solano Counties

Project Description:

The Department of Water Resources is filing an Addendum for exploratory geotechnical activities for possible alignments of the water conveyance facilities in the Delta. DWR has been unable to obtain access to many properties in the study area in order to complete the activities within the time frame established under the 2010 IS/MND. Therefore it is necessary to extend the December 31, 2012 completion date. In addition, locations along SR 160 are being highlighted in this Addendum because temporary lane closures will be necessary. Information received in 2012 has been evaluated consistent with the MND.

This is to advise that the Department of Water Resources has approved the above
(Lead Agency or Responsible Agency)

described project on February 27, 2013 and has made the following determinations regarding the above
