

Proposed BDCP Agricultural Natural Community Classification

Note: the following proposed classification is based on comments received at the June 12, 2009 TRS meeting.

Proposed Agricultural Natural Communities	Comments
Irrigated Pasture	Includes all DWR irrigated pasture types; non-irrigated pasture is included in the BDCP grassland natural community
Alfalfa	
Irrigated Cropland	Includes DWR crop types for grain and ay crops, field crops, truck and berry crops, and idle
Rice	
Vineyard	
Orchard	Includes all DWR tree crop classifications
