Bonderson Building
901 P Street Room #422
Or call (916) 651-3086 no passcode needed

1. CVPIA potential funding for BDCP
2. San Joaquin River exchange contractor water
3. Payment for public benefits: should exporters be responsible for anything more than the cost of export facilities and mitigation for those facilities. Specifically, should exporters be responsible for habitat restoration in the Delta. Should any of these costs be borne by those who use or divert water upstream of the Delta?
4. Payment for refuge water supplies: capacity in any new facility (tentative)
   Who will bear the costs?
5. Schedule for Chapter 8 of BDCP
