

# BDCP

## YOU ARE INVITED...

... to attend a public workshop about the BDCP's draft conservation measures

The focus of this meeting is the Draft Chapter 3 – Conservation Strategy – of the Bay Delta Conservation Plan (BDCP). Chapter 3 describes the conservation strategy, including specific conservation measures, currently under consideration. Chapter 3 is one of several chapters in the plan. The draft plan is expected to be released in its entirety early next year. To see an outline of the intended plan contents, [click here](#).

### **Meeting Purposes:**

- To provide an update on the BDCP
- To share information about the draft conservation measures
- To solicit input from the public on the conservation measures, including feedback about the rationale and feasibility of the conservation measures, as well as ideas about different ways to meet the objectives of the BDCP
