Mr. Frank Medcalf
537 Loretto Dr.
Roseville, CA 95661

Dear Mr. Medcalf:

Thanks for your letter regarding water management in California.

The Bay Delta Conservation Plan is seriously considering a facility much like the Peripheral Canal; only this version is a tunnel from the Sacramento River to the pumps in the South Delta. We will determine whether to build such a facility early next year.

Sincerely,

A handwritten signature in black ink, appearing to read "Gerald Meral".

Deputy Secretary
