1. Please notify me on any public hearing re: BDCP.

3. I strongly recommend that you can see (Dr. Peter B. Doyle (Dr. Fish) re: native Fish.
4. In addition, I strongly recommend that you educate & publicize the environmental, water, recreation, etc. benefits that this plan will provide for both Northern & Southern California users.
5. Also, please consult the Vallejo Inter-Tribal Council for Native American input.
