☐ Yes, I would like to be added to your e-mail list.

Your input on the BDCP EIR/EIS is greatly appreciated. Please write your comments below, including comments on the extent of the action, range of alternatives, methodologies for impact analysis, types of impacts to evaluate, and possible mitigation concepts. Comments will be accepted until close of business on May 14, 2009.

1. Governance Suggested: Federal Water Master Approach May be More Successful than Any Other Alternative. Similar to Gary Stateline Truckee River Outlet in Tahoe City, CA. Criteria is Reached by Agreement of All Interests/ Stakeholders & Gary Implements.

3. Eastside Canal: Please Look at Extending Folsom South Canal to Move Some of This Water. A diversion at Nisqually Makes Sense & Can Assist SAC. County & S.J. County w/ Critical Overdraft Condition (Existing).

Please submit your comments at station 6 at this scoping meeting, or fold this form in half, seal with tape and mail to:
Ms. Delores Brown, Chief, Office of Environmental Compliance, Department of Water Resources, P.O. Box 942836, Sacramento, CA 94236.
You may also e-mail your comments to BDCPcomments@water.ca.gov. Comments must be received by May 14, 2009.
